

Dear Highland Neighbor:

The 2017 Redlands Bicycle Classic is excited to announce that the Greenspot Time Trial has been continued with this year's event on Wednesday, May 3, 2017, in the City of Highland. We would like to thank all of the residents and businesses along the course for their assistance and patience, as we bring you one of the premier cycling events in the country.

The Greenspot Stage is a "Time Trial" race, which means the cyclists will be completing an out-and-back course. Riders will start on a timed interval and will race against the clock. This will give you an opportunity to see them up close individually and cheer them on as they pass by your location. Spectators may walk along the outside of the course, however, please be sure to stay off the course itself. The riders will be exceeding 50 MPH at times, and we want to ensure your safety, as well as the safety of the riders.

With safety as our top primary concern, there will be some local street closures in place throughout the day:

8:00 am – 4:00 pm Greenspot Road from Calle del Rio Street to Highway 38 will be closed to through traffic.

If you anticipate leaving your business or residence during race time, please understand that there may be a delay, as our marshals must wait until there are no cyclists approaching before they allow you on the course. At that time, you will be allowed onto the course, **but only in the direction of the race**, and you will be required to **exit the course at the next opportunity**. Refer to the attached map to determine the direction the race will be traveling. If you are having difficulty getting to a specific location, contact one of our marshals or a law enforcement official. Our marshals will be strategically placed throughout the course to assist you in getting where you need to go. If you need to leave a residence on the course while the race is in progress, it is imperative that you seek assistance from a marshal before exiting. If possible, please park your vehicle on a street off of the course ahead of time.

Finally, loose dogs present a significant hazard to cyclists traveling at high speeds. Please ensure that your pet is secured during the event.

For additional information about the Classic, please visit our website at www.redlandsclassic.com.

Thank you in advance for your cooperation,
