### *\*Important information regarding Entry Fees*

- As part of our continuing efforts to increase community involvement we are attempting to increase the number of school visits in the surrounding communities. We completed 40 visits last year and are setting a goal to exceed that for our 2019 edition. This is something that is very important to us and to our presenting sponsor.
- Examine the 2019 Entry Form and you will see a box asking if your team will be willing to participate in our school visit program. Checking this box will mean that once your team is accepted to the race, our Visit Coordinator will contact your team to arrange a visit, or multiple visits if possible.
- Upon completion of the arranged visit(s), when prize monies are paid out (approximately 30 days after the race), participating teams will receive a \$200 rebate to their entry fee. Teams providing multiple visits will receive the \$200 rebate for each visit.

### *All Registrants*

- Entries must be on the Official Entry Form for Stage Race Participants. This must be done in a two-step process. Step 1: Fill out online information at [CLICK HERE](#). Following completion of this form you will be directed to complete the team entry via Bikereg. No other entry forms will be accepted. The Official Entry must be completed entirely and accurately. Failure to do so may harm your team's chances of being accepted and could result in a fine if accepted. The Official Entry Form will be used to determine team eligibility and to provide rider information for the Race Announcers and Press releases.
- A current USAC/UCI license must be presented for each rider at Registration.
- An early edition of the Technical Guide will be available on the RBC website, [www.redlandsclassic.com](http://www.redlandsclassic.com), no later than March 1, 2019.
