Dear Cajon Pass Neighbor:

The 2023 Redlands Bicycle Classic is excited to announce that this year's race will feature the Route 66 Individual Time Trial on Friday, April 14, 2023, in the county area of San Bernardino. We would like to thank all of the residents and businesses along the course for their assistance and patience, as we bring you one of the premier cycling events in the country.

The Route 66 stage is a "time trial" race, which means the cyclists will be completing an "out and back" course. Riders will start individually, at incremental times, and race against the clock for the fastest time. This will give you an opportunity to see them up close and cheer them on as they pass by your location. Spectators may walk along the outside of the course, however, please be sure to stay off the course itself. The riders will be exceeding 40 MPH at times, and we want to ensure your safety, as well as the safety of the riders.

With safety as our top primary concern, there will be some local street closures in place throughout the day.

8:00am-4:00pm Cajon Boulevard will be closed in both directions between Cleghorn Road and Kenwood Avenue

If you anticipate leaving your business or residence during race time, please understand that there may be a delay, as our marshals must wait until there are no cyclists approaching before they allow you on the course. At that time, you will be allowed onto the course with an escort, **but only in the direction of the race**, and you will be required to **exit the course as soon as practical**. All traffic will be directed to exit the south end of the course towards Kenwood Avenue. Refer to the attached map for additional details.

If you are having difficulty getting to a specific location, contact one of our marshals or a law enforcement official. Our marshals will be strategically placed throughout the course to assist you in getting where you need to go. If you need to leave a residence on the course while the race is in progress, it is imperative that you seek assistance from a marshal before exiting. If possible, please park your vehicle on a street off of the course ahead of time.

Finally, ***loose dogs present a significant hazard to cyclists traveling at high speeds.*** Please ensure that your pet is secured during the event.

For additional information about the Classic, please visit our website at **www.redlandsclassic.com**. You may also reach us via email at **info@redlandsclassic.com**.

Thank you in advance for your cooperation,
REDLANDS BICYCLE CLASSIC ORGANIZING COMMITTEE
