WELCOME TO THE 38th EDITION OF THE REDLANDS BICYCLE CLASSIC

The Redlands Bicycle Classic, Inc. (RBC) is a 501(c) 4 “not-for-profit” California public benefit corporation established for the purpose of conducting a quality stage race for Pro, 1 men and Pro, 1, 2 women cyclists. There are two new routes for the 2024 race. They are the Onyx Summit Road Race as Stage 2 and the Lake Perris Individual Time Trial as Stage 3. This year’s event will also include USAC criteriums for men and women and a Junior’s only Stage Race. There are criteriums as well for public riders from age three to eighteen. The RBC Organizing Committee is pleased to have you and your team as participants in the 38th edition of what is known as the “Premier Stage Race” in the United States.

Information and/or mailings before or after the race may be directed to:

HOUSING

The Organizing Committee will make every effort to assist Teams in securing local housing in private homes. Team representatives should contact Robyn Purves, robyn4rbc@gmail.com or (951) 906-4907 as soon as possible regarding housing arrangements. Please do not request your host home to accommodate more people than have been assigned by the Housing Coordinator. This may result in loss of free housing for the Team.

Please show proper respect and behavior to the families that have opened their homes to you. Failure to follow guidelines given to your manager may result in loss of housing.

MEDICAL SUPPORT

Medical Support will be provided for all stages by RBC Staff Physicians. Additional support will be provided on Stages 1, 2 and 3 by CalFire and on Stages 4 and 5 by Redlands Fire Department paramedics.

Medical Support will be available near the Start Line and at the Feed Zone for the Highland Circuit Race and the Start Line/Team Parking area for the Lake Perris Individual Time Trial. For Stages 2 and 5, Medical Support will travel with the Caravan and will be at the Finish Line. The main first aid stations will be located at the corner of Citrus Avenue and 6th Street for Stages 4 and 5. Medical Support will also be at the Fire Station (where lap cards are shown) for Stage 5.

Riders who become ill and require hospital treatment will be transported to the nearest hospital: Redlands Community Hospital (909) 335-5500, Loma Linda University Medical Center (909) 558-4000, and Arrowhead Regional Medical Center (909) 580-1000.

TEAM LIAISON / TEAM SUPPORT

Teams will be provided assistance regarding local arrangements and other issues that may arise. Results will be delivered via e-mail or in person to Team Managers, not individual riders, and posted on the RBC website, www.redlandsclassic.com.

Team Support will assist during Stage 3 regarding start times and at Start/Finish lines during other Stages. Team Liaisons will assist in awards ceremonies and escorting riders to designated areas for press conferences.

Team Support/Neutral Feed is responsible for controlling Feed Zone access. Feeders should follow directions given by Team Support members. Failure to adhere to the guidance provided by Team Support may result in penalties assessed by the Chief Referee. Neutral Feed personnel will provide neutral feed on the Road Races.

Team Liaison *does not* serve as an intermediary with USAC Officials regarding Race rules and rulings.

REGISTRATION & PARTICIPATION PROCEDURES

TEAM CONFIRMATION/ REGISTRATION

Confirmation of starters will be Tuesday, April 9th, at BC Fitness Studio, 409 East Palm Avenue in Redlands from 11:00 am to 2:00 pm. Rider numbers will be issued at registration. Failure to confirm by 2:00 pm on April 9th may result in a fine. Rule BA5(a).

USAC Officials will be present at the Team Manager's meeting to answer questions regarding the races and racing rules.

On the official race entry form, each team was asked to provide an e-mail address to receive results during the race. This e-mail address will be used unless an update is received at the registration meeting.

A signed USAC Event Release and Redlands Bicycle Classic Authorization for Release of Medical Information forms must be turned in for each rider to receive their bib number.

TEAM MANAGERS MEETING

The Team Manager's meeting will be held in the same location as registration beginning at 4:00 pm on Tuesday, April 9th. Team Managers must be designated during registration.

A **mandatory** driver safety meeting for drivers of caravan vehicles will be held at the same location at 5:30 pm on the same day.

LICENSES

A valid federation license, recognized by USAC, must be presented for all riders, team managers and drivers. Electronic copies are acceptable.

Riders not on UCI teams, who wish to compete for a team other than the one designated on their license, must obtain a written release from their current team; the rider's current team cannot be entered into the race. Foreign riders not on UCI teams must show a Foreign Permission letter from their respective National Federation. Canadian riders are exempt from this requirement so long as they show their license.

Riders with foreign federation licenses who are not listed on a UCI team must provide proof of insurance while racing in the USA during the dates of the Redlands bicycle Classic. If such proof is not provided, riders must understand that they are not covered by USAC insurance.

IRS REQUIREMENTS

Before the end of the Team Manager's meeting, all teams must report their federal employer ID number or the individual social security number of each rider. (Form W-9 or for foreign riders, Form W8-BEN) All income will be reported to the Internal Revenue Service as "Team" winnings unless social security number of individual to whom prize money will be issued has been furnished. Failure to provide ID numbers will result in 20% being withheld from prize winnings as mandated by the IRS.

TEAM COMPOSITION

Each team is to be comprised of a minimum of FOUR riders and a maximum of EIGHT riders.

The composition of the team must be final and communicated to the Race Organizers no later than three days prior to race start.

The Team Manager is the designated licensed spokesperson for the Team and is the person responsible for filing any protests or appeals. An individual may not manage one team and ride for another. The Team Manager may be one of the riders, provided they are designated as a rider during registration.

INTERVIEWS

Riders must be available for interviews upon request of a media representative of the Organizing Committee or the Team Liaison.

ASSEMBLY TIME

Riders shall assemble at the designated staging areas at least 15 minutes prior to the scheduled start of each stage. There will be a mandatory sign-in for all stages, except the Time Trial. Sign-in times are listed in the detailed sections for each stage.

AWARDS CEREMONIES

Following the conclusion of each stage, the top three finishers in the stage will be recognized, and the leader in Individual General Classification will be awarded the Yellow Jersey.

The leader in the Climber Competition will be awarded the Climber Jersey at the conclusion of Stages 1, 2 and 5.

The leader in the Sprinter Competition will be awarded the Sprinter Jersey at the conclusion of Stages 2, 3, 4, and 5.

The leader in the Best Amateur Competition will be awarded the White Jersey at the conclusion of each stage.

Top 3 on Individual G.C., Climber, Sprinter, Best Amateur and Overall Team G.C. awards will be announced and awarded at the conclusion of Stage 5, after all timing calculations have been completed and any protests resolved.

Award winners are to assemble at the Awards tent, next to the podium, at the conclusion of each stage.

CAROLE KING MEMORIAL SPORTSMANSHIP AWARD

Established in 2000, the award honors the memory of Carole King, a founding member of the Redlands Bicycle Classic Organizing Committee. Volunteering and community involvement were two of her strongest beliefs. In her local newspaper column, she encouraged readers to get involved and recognize those who did. As a non-profit organization, the Redlands Bicycle Classic operates under the same principles and relies on hundreds of volunteers each year.

The committee presents this award on the final day of the race to the person who best exemplifies the principles of sportsmanship in cycling and athletic competition. The recipients are people who inspire the Committee to continue producing America's "Premier Stage Race," the Redlands Bicycle Classic.

GENERAL CLASSIFICATIONS AND POINTS CLASSIFICATIONS

Leader, Climber, Sprinter, and Top Amateur Jerseys must be worn during the subsequent stages.

Penalties will be assessed under USAC rules.

INDIVIDUAL GENERAL CLASSIFICATION LEADER

The rider with the lowest cumulative time, including bonuses and penalties, will be the overall leader on General Classification (G.C.) and will wear a YELLOW RACE LEADER JERSEY. Ties will be broken using the USAC tie-breaking procedure (USAC Stage Race Rule 3H4(c)(i)).

TEAM GENERAL CLASSIFICATION

Team General Classification will be based on the total time of the three best times made by members of a given team on each stage, including the Time Trial, for each team. Any team depleted to less than three riders shall be excluded from Team GC. The team with the lowest cumulative time in all stages will be designated the TEAM G.C. WINNER. Ties will be broken using the USAC tie-breaking procedure (USAC Stage Race Rule 3H4(f) (i & ii)).

TIME BONUSES

Time Bonuses will be awarded for the first three finishers in each stage (except for the Time Trial) on the following basis:

<i>1st Place</i>	<i>10 seconds</i>
<i>2nd Place</i>	<i>6 seconds</i>
<i>3rd Place</i>	<i>4 seconds</i>

Time Bonuses will be awarded for the first three across the line at specific points of the various stages (as defined in each stage) on the following basis:

<i>1st Place</i>	<i>3 seconds</i>
<i>2nd Place</i>	<i>2 seconds</i>
<i>3rd Place</i>	<i>1 second</i>

CLIMBER COMPETITION

The rider with the most cumulative CLIMBER points will wear the RED CLIMBER'S JERSEY. Riders must complete all stages within the time limit to be eligible for climbers' prizes. Points will be awarded to the top five finishers at designated points in Stages 1, 2, and 5. The point schedule is as follows:

Stage 1 finish, Stage 1, 2, and 5 intermediate:

<i>1st Place</i>	<i>7 points</i>
<i>2nd Place</i>	<i>5 points</i>
<i>3rd Place</i>	<i>4 points</i>
<i>4th Place</i>	<i>3 points</i>
<i>5th Place</i>	<i>2 points</i>

Exception next page.

The exception is the finish of Stage 2, which awards the top 10 finishers and will use the following schedule:

Stage 2 Finish Line Climber Competition

1 st Place	15 points
2 nd Place	12 points
3 rd Place	10 points
4 th Place	8 points
5 th Place	6 points
6 th Place	5 points
7 th Place	4 points
8 th Place	3 points
9 th Place	2 points
10 th Place	1 point

There are 2 FINISH LINE and 10 INTERMEDIATE CLIMBER COMPETITIONS for a total of 12 competitions in the race. See individual descriptions for Stage 1, 2 and 5 for information on CLIMBER locations. The Jersey will only be awarded on days when points are earned or a jersey changes hands due to a tie breaker. Ties will be broken using the USAC tie-breaking procedure (USAC Stage Race Rule 3H4(e)(iii)).

SPRINTER COMPETITION

The rider with the most cumulative SPRINTER points will wear a GREEN SPRINTER JERSEY. Riders must complete all stages within the time limit to be eligible for sprinters' prizes. Points will be awarded to the top five finishers in Stages 3, 4 and 5. The point schedule is as follows:

Stage 3, 4 and 5 finish and Stage 2, 4, and 5 intermediate:

1 st Place	7 points
2 nd Place	5 points
3 rd Place	3 points
4 th Place	2 points
5 th Place	1 point

There are 3 FINISH LINE and 9 INTERMEDIATE SPRINTER COMPETITIONS for a total of 12 competitions in the Classic. See individual Stage descriptions for placement of each SPRINTER location. The Jersey will only be awarded on the days when points are earned. Ties will be broken using the following criteria: **1.** Stage finishes with sprint points (3, 4 and 5), **2.** Intermediate sprint wins (stages 2, 4, 5), **3.** Highest place on the last stage ridden.

BEST AMATEUR/U23 COMPETITION

The BEST AMATEUR WHITE JERSEY will be presented to the best placed USA Cycling Category 1 rider in Individual General Classification who is U23 and is not currently a member of a registered UCI team or is not a member of a national team at the Redlands Bicycle Classic.

PRIMES

Primes are to be picked up immediately following each stage at the Announcer's Stage. The racer or team manager must present the race number to collect the prime. No exceptions will be made.

PRIZE PURSE

All cash prizes will be mailed to the Team or individual designated on tax form required at registration within one month of the final results determination. Distribution of prizes for the Pro, 1 Men's Race is shown in the table on Page 15.

JERSEY ORDER

Order of priority:

1. Individual G.C. Leader Jersey
2. Climber Jersey
3. Sprinter Jersey
4. Best Amateur Jersey
5. World Champion
6. Continental Champion
7. National Champion

In the case that the same rider has earned more than one jersey, they will be awarded both. An additional jersey of lower priority will be given to the next highest placed rider in the category who is not obligated to wear another Redlands Classic jersey to represent the jersey (except at the conclusion of Stage 5).

TECHNICAL REGULATIONS

THE REDLANDS BICYCLE CLASSIC IS GOVERNED BY THE 2024 USAC REGULATIONS AND PENALTY SCALE. INFRINGEMENT OF USAC REGULATIONS BY ANY COMPETITOR, TEAM MANAGER, OR TEAM REPRESENTATIVE MAY RESULT IN PENALTIES, FINES, DISQUALIFICATION OR REMOVAL FROM RACE.

The 2024 USAC Regulations governing Stage Races are in effect unless specific exceptions are noted in this Technical Guide.

HELMETS

Riders on bicycles **must wear helmets at all times**, between registration and the end of the final stage. This includes **any riding** on public streets. Any reports from city or race officials will cause penalties to be assessed to team G.C. See Special Fines.

NUMBERS

Riders must wear ALL NUMBERS, INCLUDING FRAME NUMBERS provided by the Race Committee in ALL STAGES. Numbers may not be folded, trimmed, or in any way mutilated. Numbers **MUST** be placed as shown below. Exception: Riders **MUST** wear at least one number on the center back for the Stage 3 Time Trial.

Stages 1, 4, 5

Stage 2

Riders with numbers that are poorly placed, altered, mutilated, or covered at the finish will be fined per 8A1(k). Riders who abandon the race without turning in a number and notifying officials will also be fined per 8A1(l).

SUPPORT

Neutral Support will be provided by Shimano for all stages. Team vehicles may accompany the caravan on Stage 2 only.

CARAVAN VEHICLE

Each team with a vehicle in the caravan will be issued a radio.

RULES

Team car radios will only be used to receive and must not transmit. There will be a \$500 fine if the radio is not returned to the radio manager immediately after the stage. The Team Manager will be responsible for replacement costs for any lost or damaged radios. Each radio has a replacement cost of \$2000.

Team vehicles will be in Individual GC order. Team cars and neutral service vehicles should be 1.66 meters in height or less, with windows that are not opaque. If non-compliant vehicles are allowed in the caravan, the Chief Referee may change their position based on vehicle characteristics. Rear mount bicycle racks are not permitted per USAC Rule 3C4(b).

PACING

Pacing or towing by any motorized vehicle is not allowed and will be penalized up to and including immediate disqualification.

FEEDING

Feeding shall occur only in designated Feed Zones with the exception of allowing feeding from the caravan vehicles in Stage 2 at the discretion of the Chief Referee. All team vehicles must follow the instructions provided in each stage description to reach designated Feed Zones. Non-Caravan team vehicles may not follow or in any way participate in the race caravan, including going to or returning from designated feed zones. Neutral Feed Support will be available in stages 1, 2 and 5.

FEED ZONE PASSES

Each team will be provided with two credentials for Feed Zone Support personnel. Team personnel must wear a Team Jersey or Team Jacket while in the Feed Zones. Team Support staff will control access to and monitor the Feed Zones. Violations of Feed Zone Regulations will be reported to the Chief Referee and may result in penalties.

SPECIAL NOTE: Riders must dispose of feeding materials (packages/water bottles) in the Green Zone areas, especially in races where spectators are unlikely to pick up the rider's discarded materials. Green Zone areas will be before and after the Feed Zone on Stages 2 (see Special Fines regarding Stage 2) and 5. Team Managers will ensure that Feed Zone support personnel leave Feed Zone areas clear of debris.

RACE CONDUCT

There will be a rolling enclosure for Stage 2 and for that portion of Stage 5 prior to entering the Sunset Loop. Riders who lose contact with the field and the rolling enclosure must stay to the extreme right and obey all California traffic laws, signs and stoplights when not protected by race-associated police. Specific instructions regarding the rolling enclosures will be given at the Team Manager's meeting and by the Chief Referee prior to the beginning of Stages 2 & 5.

ABANDONING RACE

A rider dropping out of the race shall immediately remove his body number and hand it in to an Official. He may not cross the finish line.

CRITERIUMS

RIDERS MAY TAKE ONE FREE LAP FOR EACH LEGITIMATE MISHAP DURING THE CRITERIUM. A "legitimate mishap" is a puncture, breakage of an essential part of the bicycle or involvement in a crash as determined by the race officials. Problems due to insufficient tightening of a component or lack of rider preparation do not qualify for free laps. A "legitimate mishap" is determined by the USAC Official in the Pit Area. A rider granted a free lap will be returned to the race by the USAC Official in the Pit Area. No free laps will be granted outside designated Pit Areas. Bicycle repairs must be done in an official Pit Area. **No free laps will be granted during the last 8km/5 laps of the criterium.** See Rule 3D5.

Primes may be awarded for any group of riders. A bell will sound on the lap preceding the Prime Sprint. There will be no Primes after 3 laps to go. Primes must be picked up at the end of the stage.

All riders will finish on the same lap as the leader. At the discretion of the Chief Referee, riders who are out of contention may be asked to withdraw from the race and receive prorated times, which may include time additions. Times for lapped riders will be calculated according to USAC 3H6(g).

PROTESTS

The Chief Judge will resolve all protests regarding order of finish. Protests may be submitted only by the designated Team Manager. Except for the final stage, the protest period ends when sign-in closes for the following stage. All protests regarding the final placings must be submitted no more than 15 minutes after the final results are posted.

RADIOS

Per USAC rule 1J6 in effect for 2024, the use of radios is allowed. Audio playback devices are expressly forbidden. Please see USAC rule 1J6 for details.

PENALTIES

The Chief Referee may take disciplinary measures in accordance with the 2024 USAC Regulations. The Chief Referee may increase and extend such fines or time penalties according to the gravity of the offenses committed. Fines and penalties may be progressively applied to riders committing more than one offense, even in a single stage.

Teams violating USA Cycling 1H4(d) **Team Entry in races** may be subject to penalization including, but not limited to any combination of the following penalties, applied to either individual riders and/or teams: warning, \$100 fine per rider/ incident, relegation, time penalty (2 to 10 minutes), DSQ.

SPECIAL FINES

The Redlands Bicycle Classic reserves the right to enforce the following fines:

1) Any rider who is observed urinating or undressing in public
1st offense - \$1000 and possible removal from race, 2nd offense – removal from race

STAGE 5
THE CITY OF REDLANDS SUNSET ROAD RACE
SUNDAY, APRIL 14

DISTANCE	91.3 Miles
CLIMBER POINTS	<p>There are FIVE Intermediate climber competitions. The first competition is approximately 6.8 miles from the race start on the sunset loop (12 laps to go). The other four climber competitions will be contested on the Sunset Loop at 9, 7, 5, and 3 laps to go at the same location. See page 12.</p> <p>The climber competition line on the Sunset Loop is 150m past the intersection of Valle Vista Drive and Sunset Drive. A sign will mark 200m to the competition line.</p>
SPRINTER POINTS	<p>There are THREE Sprinter Competitions (two Intermediate and one Finish Competitions). The Intermediate competitions will be at the end of each of the two opening circuits. All competitions will be at the Finish Line. See page 13</p>
INTERMEDIATE TIME BONUSES	<p>There are TWO intermediate time bonuses. They will be at mile 6.8 (12 laps to go), and at the finish line at the end of the first full downtown finish circuit (4 finish laps to go). See page 12.</p>
FINISH TIME BONUSES	<p>Will be awarded at the race finish on the finish circuit not at the time measurement line on Citrus Avenue. See page 12.</p>
TIME MEASUREMENT	<p>Time will be taken at the Finish Line on Citrus Avenue for all riders that complete the finish circuits. Riders who are stopped at the 'Time Cut' line on Citrus Avenue will be given a pro-rated time.</p> <p>The pro-rated time will be the time difference between the first rider across the 'Time Cut' line and when each rider is stopped at that line. That time will be added to the first finisher's time (at the Finish Line) for final stage and GC times.</p> <p><u>All riders lapped on the Sunset Loop will be asked to withdraw.</u> A rider asked to withdraw or who drops out of the race shall proceed to the Fire Station and remove his body number and hand it in to an Official who is to record the rider's finish time on the bib number. Riders must complete at least four laps without being lapped to place in the race. All riders who have been asked to withdraw after completing four laps, without being lapped, and who check in with the Official at the lap cards (Fire Station) will be given a pro-rated time and placed in the final GC. <i>Those who do not turn in their bib number and abandon the race will be designated DNF and will not appear on the stage or Final G.C.</i></p>

COURSE EVENT / DESCRIPTION

There are three distinct sections to this Race:

1. THE STARTING CIRCUIT/LOOP TRANSITION:

The starting circuit is 2 laps of the short criterium course, 1.3 miles in total length. After crossing the finish line on lap 2, the riders will continue straight on Citrus Avenue and turn right on Redlands Blvd., right on Highland Avenue, left on Cajon Blvd. (becomes Garden Street), to the start of the Sunset Loop at Garden Street and Rossmont Drive (Fire Station).

2. THE SUNSET LOOP:

On the Sunset Loop you will ride 12 laps of 6.5 miles each, with the first lap beginning at Simonds Parkway (lap card) as you enter the loop for the first time. There is considerable climbing, especially during the first 2.6 miles (4.2 km).

3. THE FINISH:

Riders return to downtown Redlands via the transition section, which is the same way they came up. The race will be very broken up at this point, so please obey the center line rule for your own safety. Time for all riders will be determined as they cross the time measurement line on Citrus Avenue at 9th Street. The Chief Referee shall determine which riders will be allowed onto the final five laps of the Finish Circuit (1.0-mile criterium). Those riders making the final circuit will compete for final stage placing and time bonuses. Riders who are not allowed on the final circuit will go through a finish chute in an orderly fashion to obtain final placement and calculated finish time. Riders in mishaps in the final 3k (2 finish circuits) shall receive the same time as riders in their group per rule 3H6(c)ii.

SPECIFIC COURSE INSTRUCTIONS

Start: Riders will make 2 laps on the short (.66 mi / 1.1 km) criterium course. After crossing the finish line after 2 laps, riders will go straight out Citrus Avenue to a right turn onto Redlands Blvd. The rolling enclosure begins on Citrus Avenue and is in effect until the start of the Sunset Loop.

For safety reasons, Team vehicles cannot travel on the Race route, except as they traverse those portions of the course designated in the directions for arriving at and leaving Feed Zones. There will be no exceptions; violations may result in penalties.

On the Sunset Loop portion, rules governing circuit races are in effect. Escorted vehicles may be encountered on this Loop Section. Race Staff will make every effort to protect riders during this section.

Riders will not be allowed to begin another lap of the Sunset Loop after the leaders have completed their final Loop and entered the transition section leading to the Start/Finish. Riders should use caution from the point of leaving Sunset loop to the time cut line. Dropped riders must stay to the right of the centerline. The five finish laps are on the long criterium course (1.0 m), which is closed to all vehicular traffic.

PRESS AREA	At the Start/Finish line. The press office will be in the Expo area.
AWARDS CEREMONY	There will be an Awards Ceremony at the Finish Line for the first three finishers in this stage (immediately following the conclusion of the Stage). Final Individual G.C., Team G.C. Climber Winner, Best Amateur Winner and Sprinter Winner will be announced and awarded at the conclusion of Stage 5 after all timing calculations have been completed and any protests resolved.
DIRECTIONS TO START	Citrus Avenue in downtown Redlands between 5 th & 6 th Street. See map on page 41.
TEAM PARKING	Team Liaisons will be in contact with the Team Managers before the event to assign parking at the Redlands High School main parking lot located on Redlands Blvd. and Cypress. Otherwise, limited parking is available in the Downtown area. See the map on page 34.
START LOCATION	Citrus Avenue in Downtown Redlands, between 5th and 6th Street. See map on page 41.
