TECHNICAL REGULATIONS

THE REDLANDS BICYCLE CLASSIC IS GOVERNED BY THE 2024 USAC REGULATIONS AND PENALTY SCALE. INFRINGEMENT OF USAC REGULATIONS BY ANY COMPETITOR, TEAM MANAGER, OR TEAM REPRESENTATIVE MAY RESULT IN PENALTIES, FINES, DISQUALIFICATION OR REMOVAL FROM RACE.

The 2024 USAC Regulations governing Stage Races are in effect unless specific exceptions are noted in this Technical Guide.

HELMETS

Riders on bicycles **must wear helmets at all times**, between registration and the end of the final stage. This includes **any riding** on public streets. Any reports from city or race officials will cause penalties to be assessed to team G.C. See Special Fines.

NUMBERS

Riders must wear ALL NUMBERS, INCLUDING FRAME NUMBERS provided by the Race Committee in ALL STAGES. Numbers may not be folded, trimmed, or in any way mutilated. Numbers **MUST** be placed as shown below. Exception: Riders **MUST** wear at least one number on the center back for the Stage 1 Time Trial.

Stages 2, 3

Riders with numbers that are poorly placed, altered, mutilated, or covered at the finish will be fined per 8A1(k). Riders who abandon the race without turning in a number and notifying officials will also be fined per 8A1(l).

SUPPORT

Neutral Support will be provided by Shimano for all stages.

ABANDONING RACE

A rider dropping out of the race shall immediately remove his body number and hand it in to an Official. He may not cross the finish line.

CRITERIUMS

Junior Men and Women in 14 and under, 15-16 and 17-18 age brackets will race together but will be picked separately for awards.

RIDERS MAY TAKE ONE FREE LAP FOR EACH LEGITIMATE MISHAP DURING THE CRITERIUM. A "legitimate mishap" is a puncture, breakage of an essential part of the bicycle or involvement in a crash as determined by the race officials. Problems due to insufficient tightening of a component or lack of rider preparation do not qualify for free laps. A "legitimate mishap" is determined by the USAC Official in the Pit Area. A rider granted a free lap will be returned to the race by the USAC Official in the Pit Area. No free laps will be granted outside designated Pit Areas. Bicycle repairs must be done in an official Pit Area. **No free laps will be granted during the last 8km/5 laps of the criterium.**

Primes may be awarded to any group of riders. A bell will sound on the lap preceding the Prime Sprint. There will be no Primes after 3 laps to go. Primes must be picked up at the end of the stage.

All riders will finish on the same lap as the leader. At the discretion of the Chief Referee, riders who are out of contention may be asked to withdraw from the race and receive prorated times, which may include time additions. Times for lapped riders will be calculated according to USAC 3H6(g).

PROTESTS

The Chief Judge will resolve all protests regarding order of finish. Protests may be submitted by the rider or the riders designated manager. Except for the final stage, the protest period ends when sign-in closes for the following stage. All protests regarding the final placings must be submitted no more than 15 minutes after the final results are posted.

RADIOS

Per USAC rule 1J6 in effect for 2024, the use of radios is not allowed in junior events. Audio playback devices are expressly forbidden. Please see USAC rule 1J6 for details.

PENALTIES

The Chief Referee may take disciplinary measures in accordance with the 2024 USAC Regulations. The Chief Referee may increase and extend such fines or time penalties according to the gravity of the offenses committed. Fines and penalties may be progressively applied to riders committing more than one offense, even in a single stage.
