SAFE SPORT

Athlete safety is of the utmost importance to USA Cycling and the Redlands Bicycle Classic.

To help create and foster a safe environment that is free from misconduct and abuse at all USA Cycling events, please review USA Cycling's Safe Sport Program [Policies](#), including reporting [requirements](#) and the Minor Athlete Abuse Prevention Policies ([MAAPP](#)). All Participants at USA Cycling sanctioned events must abide by these policies.

Prohibited Conduct

All Participants at this event are expected to refrain from engaging in Prohibited Conduct as defined by the US Center for SafeSport [Code](#). Prohibited Conduct includes but is not limited to the following: sexual misconduct, emotional misconduct, physical misconduct, bullying, harassment, hazing, and violations of the MAAPP.

MAAPP

These policies have been adopted by USA Cycling to establish clear boundaries between participants in cycling and to reduce isolated one-on-one interactions between minors and adults in cycling and apply during all USA Cycling events, including **before, during and returning from the event**. Please familiarize yourself with USA Cycling's [MAAPP](#).

Reporting Requirements

Adult Participants are required to report violations of USA Cycling's Safe Sport Program, including violations of the [MAAPP](#). The mandatory reporting requirements apply to Adult Participants, but USA Cycling encourages anyone who becomes aware of, or experiences misconduct or abuse, to report those allegations. While USA Cycling is committed to providing a safe environment for all participants, the organization can't address behaviors or problems it is unaware of, so your engagement in reporting is instrumental in ensuring safety for all.

Report suspected or known incidents of *sexual misconduct* directly to the US Center for SafeSport: <https://uscenterforsafesport.org/report-a-concern/>

Report *other forms of misconduct*, including physical misconduct, emotional misconduct, and MAAPP violations, to USA Cycling: <https://usacycling.org/safesport/report-other-misconduct>

TECHNICAL REGULATIONS

THE REDLANDS BICYCLE CLASSIC IS GOVERNED BY THE 2026 USAC REGULATIONS AND PENALTY SCALE. INFRINGEMENT OF USAC REGULATIONS BY ANY COMPETITOR SHALL RESULT IN PENALTIES, FINES, DISQUALIFICATION OR REMOVAL FROM RACE.

The 2026 USAC Regulations governing Stage Races are in effect unless specific exceptions are noted in this Technical Guide.

HELMETS

Riders on bicycles **must wear helmets at all times**, between registration and the end of the final stage. This includes **any riding** on public streets. Any reports from city or race Commissaires will cause penalties to be assessed to team G.C. See Special Fines.

NUMBERS

Riders must wear ALL NUMBERS, INCLUDING FRAME NUMBERS provided by the Race Committee in ALL STAGES except the Time Trial as noted below. Numbers may not be folded, trimmed, or in any way mutilated. Numbers are to be worn on the outside of clothing and may not be placed inside of pockets or behind any material which reduces their visibility except for the Stage 1 Time Trial where their numbers may be placed in a clear pocket provided the number is unaltered (cut or folded), clearly visible and always readable (1J7(b)).

Numbers **MUST** be placed as shown below.

Exception: Riders **MUST** wear at least one number on the center back for the Stage 1 Time Trial.

All Stages

Riders with numbers that are poorly placed, altered, mutilated, or covered at the finish will be fined per 8A1(k). Riders who abandon the race without turning in a number and notifying Commissaires will also be fined per 8A1(l).

SUPPORT

Neutral Support will be provided by Elite Racing Services for all stages. On Stage 3, support will be provided by means of 2 cars.

ABANDONING RACE

A rider who abandons a road omnium stage is considered to have finished that event and may not rejoin it. They must immediately leave the course in a safe manner as directed by the Commissaires and must not interfere with riders who are still competing or cross the finish line in a manner that affects the results. A rider who abandons a road omnium stage will be recorded as DNF for that stage but remains eligible to start subsequent omnium stages, subject to any additional decisions of the Chief Referee under USA Cycling rules.

CRITERIUMS

Junior Men and Women 13-14, 15-16 and 17-18 age brackets and Women 3/4/Novice will race Stage 4 as detailed on page 25 and Stage 5 as detailed on page 29

RIDERS MAY TAKE ONE FREE LAP FOR EACH LEGITIMATE MISHAP DURING A CRITERIUM. A "legitimate mishap" is a puncture, breakage of an essential part of the bicycle or involvement in a crash as determined by the commissaires in the Pit Area.

Problems due to insufficient tightening of a component or lack of rider preparation do not qualify for free laps. A rider granted a free lap will be returned to the race by the commissaires in the Pit Area. No free laps will be granted outside designated Pit Areas. Bicycle repairs must be done in an official Pit Area. **No free laps will be granted during the last 8km/5 laps of the criterium.** See Rule 3D5.

Primes may be awarded to any group of riders. A bell will sound on the lap preceding the Prime Sprint. There will be no Primes after 3 laps to go. **Primes must be picked up at the end of the stage.**

All riders will finish on the same lap as the leader. At the discretion of the Chief Referee, riders who are out of contention shall be asked to withdraw from the race and receive calculated times, which shall include time additions. Times for lapped riders will be calculated according to USAC 3H6(g).

PROTESTS

The Chief Judge will resolve all protests regarding order of finish. Except for the final stage, the protest period ends when sign-in closes for the following stage. All protests regarding the final placings must be submitted no more than 15 minutes after the final results are posted.

RADIOS

Per USAC rule 1J6, the use of radios is not allowed in junior events. Audio playback devices are expressly forbidden. Please see USAC rule 1J6 for details.

PENALTIES

The Chief Referee shall take disciplinary measures in accordance with the 2026 USAC Regulations. The Chief Referee shall increase and extend such fines or point penalties according to the gravity of the offenses committed. Fines and penalties shall be progressively applied to riders committing more than one offense, even in a single stage.
