**STAGE 5 ANNOUNCEMENTS:**

All riders lapped on the Sunset Loop will be asked to withdraw and must turn in their numbers at the Fire Station in order to be placed. Riders completing at least four laps without being lapped will be given a pro-rated time and placed in the final GC.

The Chief Referee shall determine which riders shall be allowed onto the final three laps of the Finish Circuit (1.0 mile criterium). Those riders making the final circuit will compete for final Stage placing and time bonuses. Riders who are not allowed on the final circuit will go through a finish chute in an orderly fashion to obtain final placement and calculated finish time.

Riders affected by mishaps in the final 3k (2 laps to go) shall receive the same time as riders in the group they were with at the time of the incident.
